## MOUNTAIN CAT HANDLEBAR BAG-3639-719

## ZR/FIRECAT/SABERCAT HANDLEBAR BAG-3639-718

Check for the following parts before beginning installation:

Instruction sheet, Handlebar bag

### INSTALLATION INSTRUCTIONS

Place the bag over the center of the handlebar.

Connect the zippers on either side for Mountain Cat applications and connect the velcro on either side for ZR & Firecat applications. NOTE- If the bag is being used on a ZR or Firecat the 1.5" loop (soft) velcro will need to be trimmed down 2.5".

The front portion of the bag can be unvelcroed at the sides and used to stow your headlight lens cover. To do so, for Mountain Cat place the lens with the velcro on the lens toward the top and the rounded edge toward you following the contour of the bag for ZR & Firecat use the side access zipper and proceed as mention above. Be sure to remove any items in the compartment prior to placing the lens in the pocket without doing so scratching of the lens may result. For models with 2 lenses, place the supplied fabric between the lenses to prevent scratching.

DO NOT CARRY SHARP POINTED OR HEAVY OBJECTS!

Weight limitation-2 lbs.
