

# Kawasaki®

## BRUTE FORCE HANDLEBAR COVER INSTALLATION INSTRUCTIONS

1. Place the handlebar cover centered on the handlebar.

2. Connect the velcro/webbing straps.

### CARE & CLEANING

Do not machine wash or dry. To clean, hose down thoroughly to remove all dirt. Dry on machine or on a clothesline.

Do not store the ATV outdoors with the accessory installed. Prolonged exposure to direct sunlight and heat can result in a breakdown of the fibers in your accessory. Damage resulting from prolonged exposure to direct sunlight cannot be warranted.

### WARRANTY INFORMATION

Your new Kawasaki accessory is guaranteed to be free from defects in material and workmanship for 90 days from date of purchase.
