

BRUTE FORCE SEAT COVER INSTALLATION INSTRUCTIONS

1. Remove seat.
2. Place the seat cover over the seat with the elastic knotted ends underneath the front of the seat.
3. Pull the elasticized edge of the seat cover over the seat.
4. Reattach the seat.

CARE & CLEANING

Do not machine wash or dry. To clean, hose down thoroughly to remove all dirt. Dry cover on machine or on a clothesline.

Do not store the ATV outdoors with the accessory installed. Prolonged exposure to direct sunlight and heat can result in a breakdown of the fibers in your cover. Damage resulting from prolonged exposure to direct sunlight cannot be warranted.

WARRANTY INFORMATION

Your new Kawasaki accessory is guaranteed to be free from defects in material and workmanship for 90 days from date of purchase.
