

## TRAILERABLE ATV COVER

Covers is winch and hand guard accessable.

Will accomodate rear rack extensions, for front rack extensions unzip pocket and follow installation instructions.

### INSTALLATION INSTRUCTIONS

1. Drape cover over ATV starting at handlebars, pulling cover down over rear first and down over rear wheels, being sure the cover is down as far as possible past the apex of the wheel. Then pull down at front.
2. Pull cover taught to bottom edge of wheels, connect front & rear strap buckles and cinch tight.
3. Feed middle strap under footwells and thread through buckles. Cinch tight.
4. Feed the two remaining side straps to the ladderlocks on the top of the cover and cinch tight.

**WARNING:** Always trailer with the atv facing forward. Periodically check & adjust the strap connections.

### CARE AND CLEANING

Do not machine wash or dry. To clean, hose down thoroughly both inside and out to remove all road salt and dirt. Dry cover installed on the machine or on the clothesline. Do not store machine in direct sunlight with this cover on. Either remove cover or shade machine and cover. Prolonged exposure to direct sunlight, heat and salt build-up can result in a breakdown of the cotton fibers in your cover. Damage due to prolonged exposure to direct sunlight cannot be warrantied.

### WARRANTY INFORMATION

Your new Kawasaki accessory is guaranteed to be free from defects in material and workmanship for one year from date of purchase.
