

## CARGO CARRIER/RACK BAG -RMK

Part #2873201, 2873889, 2873890, & 2873891

Check for the following before installation:

1 Instruction sheet, 1 Rack Bag, 2 Stiffeners, 1 Foam bottom, 4 SR 3/4 Buckles

1. Thread the buckles as shown in Figure 1.
2. Install long stiffener into the fabric slots in the front of the bag.
3. Knead corners to match the radius of the bag.
4. Install the shorter back stiffener, and then insert foam bottom into bag.
5. Place bag into rack with Polaris emblem facing outward and pocket towards the rear of machine.
6. Connect the webbing and buckles through the corresponding holes on the rack. Be sure the bag is centered, and symmetrical with the rack. Cinch taut.
7. FOR '02 MODELS ONLY: Connect the elastic under the side bars and snap together.

**Care & Use:** To clean, simply remove foam stiffener, rinse in cold water and allow to air dry. Do not machine wash or dry. Do not use harsh detergents.

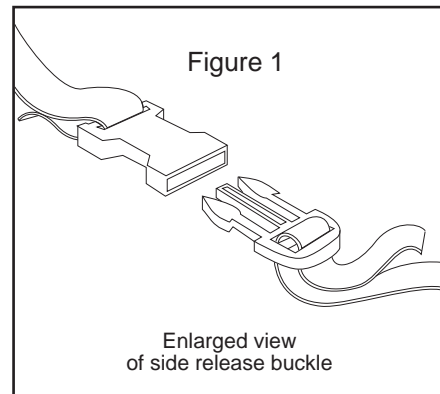

**Warning:** Make sure bag is secure before loading. Do not carry sharp, pointed or heavy objects. Maximum weight 3 lbs. For heavier loads and/or rough trails we recommend using extra tie-down or bungee. (Not furnished)

### WARRANTY:

Your new Polaris accessory is guaranteed against any defects in materials and workmanship for one year from the date of your purchase. Should any problems arise contact your dealer. No warranty card is necessary.
