

Arctic Cat ATV

Installation Instructions

AUGER COVER 0436-844

■ **NOTE:** Read these instructions thoroughly and carefully before beginning the installation process. Retain these instructions for future reference.
This auger cover is designed to work with an Arctic Cat Ice Auger Holder. This cover will help seal off the tube to protect your auger motor while trailering or in storage. Do not store in direct sunlight.

■ **NOTE:** Prior to installing, it is advisable to thoroughly clean the installation area.

1. Place the cover over the auger.
2. Connect the side release buckles and cinch both tight.
3. Place the strap around the auger motor and thread ends through the adjustable buckles on the top of the auger. Cinch tight to the Auger tube. Be sure that all excess material slack is cinched tight with the attached straps before trailering.

CAUTION

**DO NOT INSTALL ON A HOT AUGER
DO NOT OPERATE WITH THE COVER ON**
