

Installation Instructions YAMAHA 210 BIMINI EXTENSION

Please read and understand the instructions completely before installation to avoid any possible injury to yourself or damage to the accessory.

DEALER: These instructions contain important information for future reference and must be given to the customer.

1. PARTS LIST:

ITEM	PART NAME	QTY
1	INSTRUCTION SHEET	1
2	YAMAHA 210 BIMINI EXTENSION	1
3	SNAP LOOPS	2
4	SCREWS	8
5	MOUNT PLATES	2
6	MIDDLE POLE	1
7	SIDE POLE	2

Study the illustrations on the following page thoroughly before proceeding.

The instructions must be followed in the order specified below.

2. INSTALLATION:

FRAME INSTALLATION:

Matching up the color on the side poles with the color on the center pole, connect middle pole to side poles and insert into sewn sleeve of the bimini extension.

BIMINI EXTENSION INSTALLATION:

Mark the location of the mount plate: Measure 36" up along the top edge of the boat to the top of the swim platform to the center of the mount plate. See pic. 1. Tape and pre-drill 1/8" hole and install mount plates. Connect the quick release end of the bimini to the mount plate.

At the rear of the bimini, zip the end of the bimini extension to the bimini.

Measure for the footmans loop location approx. 2" up from the swim platform to the center of the footmans loop. Pre-drill 1/8" hole and install footmans loop. See pic. 2.

Connect the snap hook on the webbing to the footmans loop and tighten.
